

## Prophetic Dream From Zita Chambers

I had a dream Friday morning (September 2<sup>nd</sup>) while waking up. In the live frame, I and the people in the dream were outdoors. The sky and atmosphere were dreary. I was standing in the middle of the scene. Off to the left was a large windowless two-story building. I saw a line of people, one behind the other with heads down, walking slowly seemingly helpless, hopeless, and resigned to what was happening. They were moving toward the building entrance and around to the front of the building.

I wondered, “*What is going on !?!?!?*”

Then I saw another line of people to my right. Among this line every few I saw were Christians I know. Then I understood that the first line was being taken away; arrested for some reason. Not one of them questioned, cried out, or resisted what was happening. They just plodded dutifully to where they had been told to go.

I noticed my Christian friends did not know what was going on. They seemed like they were in a stupor. I was Shocked at this. I understood They truly did not discern what was happening. I also was given the understanding that this had happened quickly, *suddenly* and *unexpectedly* and they couldn’t believe it was happening and appeared to be in shock. They too did not question, resist, or cry out.

In the dream I quickly went up to several, took their faces in my hands, looked at them closely and said, “It is happening! Don’t You see? They want to take us and arrest us!”

“It is Happening Now, It has **Begun Now! It is Here!**” Not “sometime” as we have thought, “Sometime in the future!”

I feel the urgency; such an urgency! *Wake Up! Wake Up! Please Wake Up!*

The dream ended. When I woke up, I felt stunned. I couldn’t believe what I had just seen. I feel so concerned for all my friends and family, and for all of us — everyone in both lines, the people I did not know, too.

“They” who were taking everyone away, were not in the frame. Though not shown to me, I had a sensing they were nearby.

Also, I was given the understanding that ultimately of course, this was Satan who was doing this. But in the natural it was being done by those who were in charge of the government. It was coming from the very top and down. No specific names of governmental leaders were given to me, nor did I see any faces of them — they were moving to control the whole population, to remove any citizens they thought would oppose them, and were not “with” them.

We Must Be Ready! Prepare as much as possible in the SPIRIT, and also in natural ways the Lord would show us. Prepare too, to be the Light and Love in the Darkness for those who won't understand what is going on, and are lost and hopeless.

Prepare to lay our lives down in living acts of servant love, and also to die if necessary. I am reminded of Corrie Ten Boom and her dear sister Betsey, and their family...of Dietrich Bonhoeffer, and countless Brave Christians and others during WW II who served their friends and neighbors, some to the laying down their lives...those during the Cold War.

**Prayer**

Lord, Please make us ready to follow You every day. What may come into our lives, we know You are there with us to love and help others.

Jesus calls us o'er the tumult of our lives' wild restless seas.  
Day by Day His sweet voice soundeth, saying, "*Christian, Follow Me.*"
